AGREEMENT: PRIOR TO BREEDING:

****No puppy out of this breeding shall be shown to stud dog co-owner Leita Estes for 1 year from DOB.****

1. Both dog and bitch to have OFA numbers.
2. Both dog and bitch to have negative Brucellosis just prior to breeding.
3. Immunization record for bitch to be current on vaccinations.
4. Bitch should be **FLEA FREE** and wormed before time of breeding.
5. Stud Service will be **\$1200.00** due at time of breeding and/or choice of a puppy (to be determined).

EXPENSES:

1. Dog's owner will be responsible for all arrangements for fresh semen collections and shipping.
2. Bitch's owner will be responsible for cost of shipping, semen collection, smears, progesterone tests and AI/InVitro procedures expenses.

LIVE BREEDING TIME:

1. Bitch owner will need to book a hotel in the area and the breeding will need to take place there.
2. Stud dog owner will make every effort to "live cover" this bitch.
3. If stud dog is unable to perform a live cover then an AI will be done.
4. Stud dog owner will not be held legally or financially responsible for the bitch's possible injury.
5. If the bitch loses the litter or fails to produce at least two live puppies, this bitch or a substitute bitch agreed upon by both parties can be returned to be bred to the same stud or a substitute dog mutually agreed upon, owned or co-owned. Return breeding is to be consummated within eighteen months of the first breeding. After eighteen months this service contract is null and void.

FOLLOW UP:

1. Bitch's owner will send AKC Litter Application Registration or register litter online.
2. Stud dog owner will sign the Application and send it in to AKC or approve the online litter registration.
3. Bitch's owner will send a copy of breeding and whelping records, and a record of placement of each of the puppies for follow up to stud dog's owner.
4. A guarantee contract and evaluation should be provided to each new owner. We urge all puppies sold as pets to be altered after full maturity (18 month) and sold on a limited registration.
5. We urge that this litter be Futurity Nominated with the GSPCA. (Membership in the GSPCA of bitch's owners and co-owners (all owners) are required for nomination.
